## EJO Society/Abbey Chronicle

### Catalogue of items for Sale - Spring 2020

The New Year 2020 brings a new pricing structure for our publications (More details in the *Abbey Chronicle* for January). The order form on the back shows the new prices, and page 2 shows the overseas postage rates.

We now have so many titles we cannot continue to show pictures of them all without needing more pages in the order form, so will just show the latest two publications on the front page, and list the rest inside with only a few pictured. Please use the order form on the back page of this catalogue to send your order to Hilary Chalmers, our Merchandise Coordinator. Our pricing structure reflects the need to allow for our tax situation regarding sales to non-members of the EJO Society. There is a box on the order form to tick if you are a member and therefore eligible for free postage in the UK, or to buy the 'members only' items.

**You can now go to our website—[ejosociety.org](http://ejosociety.org)—and order from there.**

**Members should go to the Member Area for the Members only items and prices.**

**Elsa Puts Things Right—£15.00**  
(plus P&P for non-members)  
available March/April 2020

Despite its title, this book is really about Nancybell and her newfound family. Elsa herself is nonetheless crucial to the plot, and Nancybell's future is assured.

**The Secrets of Vairy—£15.00**  
(plus P&P for non-members)

*The Secrets of Vairy* takes place in Scotland where Bill Kane and Roger Black go for a holiday at the home of Patricia 'Patch' Paterson. These three characters were introduced in *Patch and a Pawn*, which we hope also to reprint before too long.

## Titles by Elsie J Oxenham already reprinted
